MEMORANDUM FOR: Chief, Logistics Services Division

SUBJECT: Request for Government Driver's
License

25X1A

1. It is requested that a Government driver's license be issued to [REDACTED]. It is necessary for [REDACTED] to visit other Government agencies at frequent weekly intervals that are not serviced by the Agency shuttle bus. Since the business often takes several hours, we believe it would be more economical for him to drive an Agency vehicle rather than a chauffeur-driven car.

2. Arrangements are being made with the Medical Office for [REDACTED] to have an eye test.
